

Application for Individual Membership

The Acts 2 Network is a relational network of like-minded churches, Christian organizations and church leaders designed to provide educational resources in the context of relational environments. It is not a denomination; it is a forum for networking around a common vision. As such, membership with the network is available to churches and church leaders who hold membership in other Christian organizations.

Membership denotes a desire to interact with other churches and church leaders who share a vision of recreating the dynamics of the Acts 2 church in the 21st Century. There is a \$200.00 application fee which must be attached to this application. If approved for membership, that fee will serve as the first annual membership fee.

Please respond to each question thoroughly using additional pages as needed.
